

Women & Leadership New Zealand is currently offering professional development scholarships for the NZIMLS staff and members. The scholarships are open to women across all areas of the sciences sector, and we encourage you to share this opportunity with your members.

[Women & Leadership New Zealand \(WLNZ\)](#) supports women at all levels across all sectors and industries. Our career-defining leadership programs bring together a focus on applied learning with the latest in leadership theory and practice. We believe that advancing gender equity, especially in leadership, is central to creating a more fair and inclusive society.

Through our [Industry Partnership Framework](#), we work with New Zealand associations and professional bodies to increase awareness and action around gender equity. With your support, we can continue to create meaningful opportunities for women leaders across the country.

Scholarships of \$1000-\$5000 per person are available for women in the sciences sector

To encourage more women to increase their impact at work and step into leadership roles across the sciences sector, WLNZ is offering scholarships for four leadership development courses. Apply by 2 December or find out more by clicking here:
